

Manufacturers Representative

ASCO Power Technologies *

www.asco.com
Power switching and control; Critical and distributed power

California Turbo

www.californiaturbo.com
Ventilation equipment

EDSA

www.edsa.com
Power system design and simulation software; Paladin Designbase

High Voltage, Inc.

www.hvinc.com
Cable fault location, Oil dielectric sets; AC Hi-Pots, VLF Hi-Pots

Normandy Machine

www.normandymachine.com
Load tap changer assembly supply and repair; Porcelain LV Transformer Bushings

Pacific Crest Transformers

www.pacificcresttrans.com
Power transformers through 69kV

Phoenix Wire & Cable Corporation

www.phoenixwc.com
Distribution class, bare and weatherproof cable & conductor

Piedmont Bushings

www.pb-i.com
Bushings, replacements for transformers and circuit breakers; Stand-off Insulators

PowerPD, Inc.

www.powerpd.net
On-line continuous partial discharge monitoring systems

RB Sales

www.rbsales.biz
Surplus circuit breakers and switchgear; Obsolete parts, spare units

CE POWER SOLUTIONS, LLC

4500 West Mitchell Avenue
Cincinnati, OH 45232
800.434.0415
Fax: 513.563.6120

www.cepowersol.com

RayTech USA

www.raytechusa.com; www.avoxtechnologies.com
TTR's Ductors, Meggers

Satec

www.satec-global.com
Power meters, power quality analyzers, revenue meters and SCADA systems

Solomon Corporation

www.solomoncorp.com
Refurbish and remanufacturing of transformers

Startco Engineering Ltd.

www.startco.ca
Neutral grounding resistor & GF monitors

Technology Enhancement Corporation

www.tecpower.com
X-35 Listening device for cable fault location

Zensol Automation Inc.

www.zensol.com
Circuit breaker and recloser test equipment and analyzers

Authorized OEM

ABB

FATON

Cutler-Hammer

TOSHIBA
AMERICA

SIEMENS
